WALL
MOULDINGS

INTRODUCTION

"Our love for wall design is what drives us to create unique and versatile paintable mouldings for interior designers and architects in India. We understand that walls are more than just a backdrop - they are an expression of our personality and style. That's why our collection of mouldings offers a wide variety of patterns and designs to cater to your individual taste. Let's celebrate our love for wall design together and turn your vision into reality!"

Abstract

SINGLE-LAYER WALLS

A frame-like moulding borders the utilitarian area in space otherwise demarcated by a palette of colors. Red, white, cream, brown - all the shades work

Moulding used

MULTI-LAYER WALLS

Tapered edges that stress the ornate wall without going overboard with additional materials. Here, we see a black millwork wall trim for a classic finish.

Moulding
